Scale Models

Scale Model – Fusion PC Cards

1 of 3 sets of PC cards for Fusion. These were 10x full size, making the smallest one over 1800mm! This one even included a 50 inch television screen!!

Scale Model – Fusion PC Cards

Scale Models – Salter Model

Full-size 'to scale' models of two sets of bathroom scales for "Salter UK Housewares". These were prototypes made from acrylic and perspex.

Scale Model – Simulator/Phone

'1:10' scale model of a 'Thales' flight simulator including specific small details...
Also shown is a full size mobile phone prototype model.

Scale Model – Lynx Launch

Rocket produced from Lynx deodorant cans for the promotion and launch of a new product. The model included smoke and lighting effects from the thrusters!

Scale Model – Ticket Machine

Full size model of a new ticket machine for ATOS.

Scale Model – 'Moscato' Stand

Scale model of an exhibition stand also designed, created and installed by Full Circle 360. This stand was for 'Moscato' wines by the 'Gallo Family'.

Scale Model – Building Model

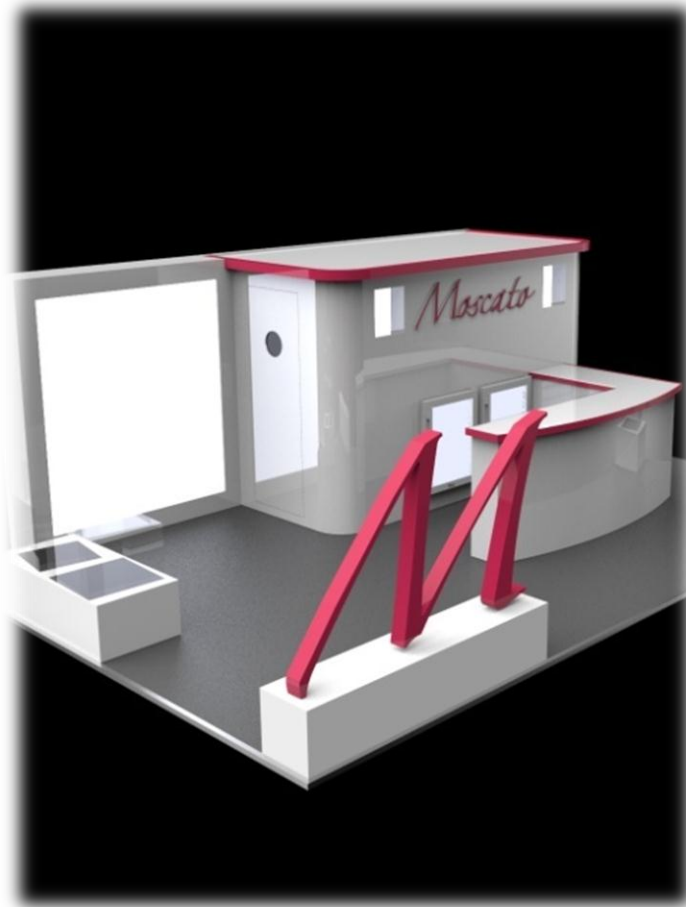

Scale model of a Jaguar car sales building, including lighting effects within the building.

Drawings & Renderings

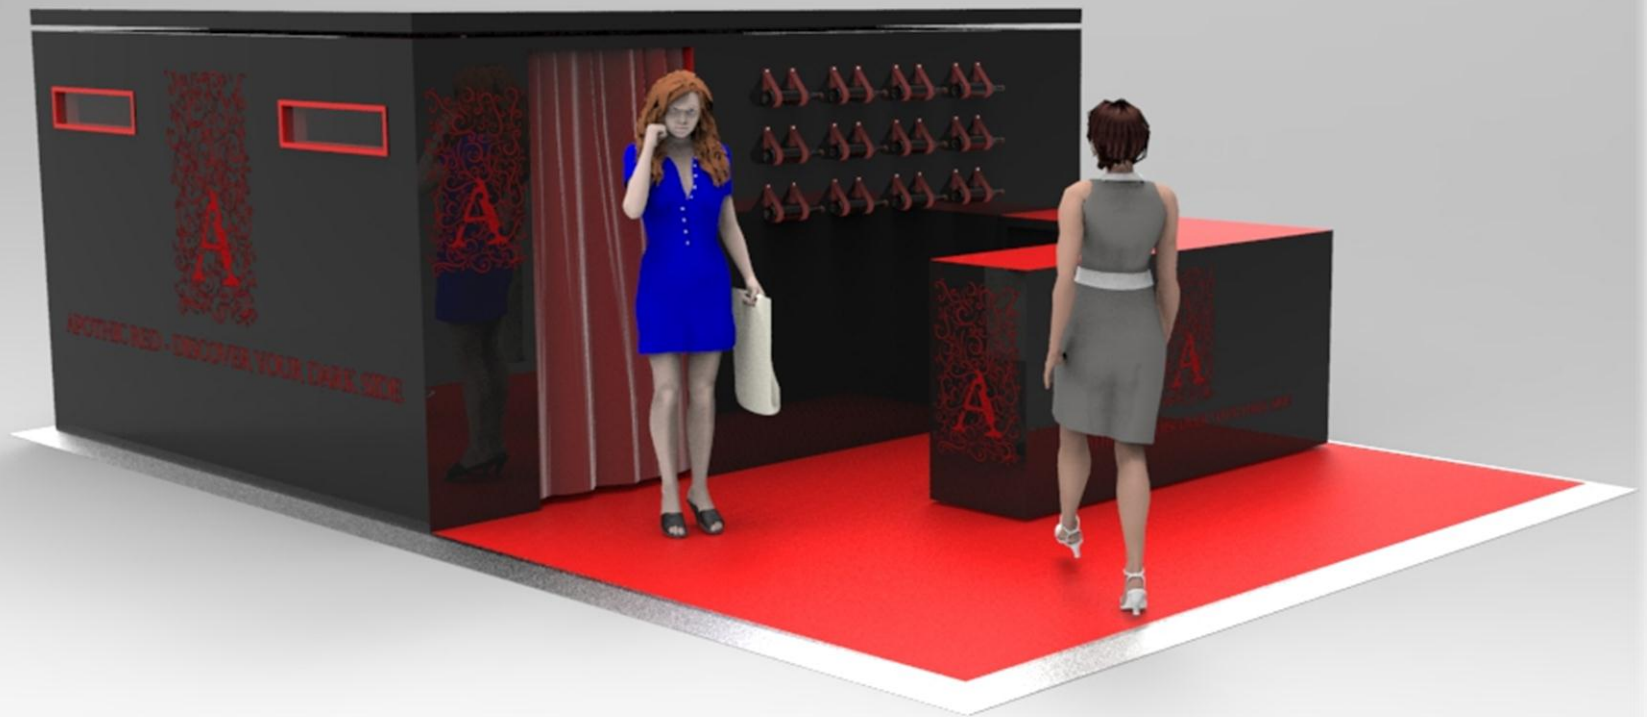

'Moscato' CAD Renderings

CAD renderings created for the 'Moscato' exhibition stand, also designed and built by Full Circle 360. This was created using SketchUp and also included lighting effects.

CAD SketchUp Rendering

CAD SketchUp Rendering

CAD SketchUp Rendering + Vid

CAD SketchUp rendering for a Christmas Santa's Grotto design. Video walkthrough also provided to client. This walkthrough can be viewed on our YouTube channel...

CAD SketchUp Rendering

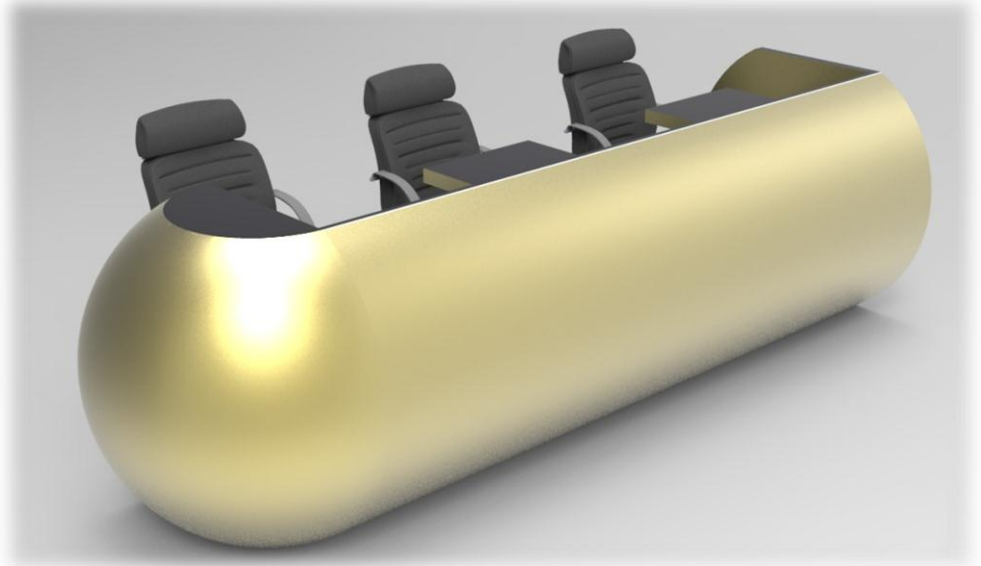

CAD SketchUp Rendering

CAD drawings and renderings created using SketchUp for a series of Qualcomm desk designs. Designed using a variety of materials and also using lighting.

CAD SketchUp Rendering

CAD renderings created using SketchUp for a bullet shaped desk, later made by Full Circle 360 for a travelling 007 James Bond exhibition throughout the UK.

Special Projects

Taxi Elephant

Elephant Taxi designed by Benjamin Shine, created for the London Elephant Parade in 2010. This piece was later sold and raised over £40k for the Elephant Foundation!

007 Bullet Desk

Post Box Egg – London UK

Post Box Egg was designed by Benjamin Shine, and created by Full Circle 360 as part of the Big Egg Hunt London in 2012. This raised £42k for the Elephant Foundation!

New York Signpost Egg - NYC

'All Ways to New York' egg was designed again by Benjamin Shine, and created by Full Circle 360. This art was displayed in New York in 2014 and raised £18,000 for charity!

CRUK DNA Trail – London UK

Ladder sculpture we created for designer Ben Shine. Displayed in London as part of the Cancer Research UK DNA Trail in 2015. To be auctioned off for CRUK soon!

BT ArtBox – London UK

“Long Distance” – a giraffe in a phone box!
Displayed in London as part of the BT Art
Box project in 2012. Raised around £19,000
for Childline.

Barclays Coin Eagle

This Barclays Eagle was hand produced using several hundred penny coins. This now hangs in the Barclays 'Bank of Wealth' in Monaco!!

Vita Coco Display

Promotional display built atop a van. Display was to be filled with coconuts to advertise the Vita Coco coconut drink...

Handheld Illuminated Signs

Several handheld illuminated signs were designed and produced for the 2014 Winter Olympic Games held in Sochi, Russia. We are currently working on other designs...

Portable Bars

3 portable laminate bars were produced to house beer pumps, taps, cooler and a keg of Peroni beer. The bars also included various LED lighting.

Awards

Various awards created by hand for companies such as Dior. We can produce various shapes, sizes and designs of awards, including custom designs!

Point Of Sale

POS Displays

Gucci and Remy Martin POS displays for London Heathrow Airport WDF Store.

POS Displays
